Rotary Club of Davis Community Projects Application

Name of individual and/or organization_____

Contact person_____ Date _____

Address_____

Telephone_____ e-mail address_____

Past successful Rotary community projects have had all, or most of the following characteristics: long term benefit to the Davis community; hands-on participation by requesting individuals or members of the requesting organization (when applicable); hands-on participation by the Rotary Club of Davis; possibly a degree of funding from Davis Rotary; and on-site recognition that Rotary was a sponsor. Requests for funding only are considered, but typically not given highest priority.

Describe your project:

What is the total cost and how much are your requesting?

What are the long-term benefits of this project to the Davis community?

If applicable, are the majority of your organization members willing to participate in establishing and maintaining this project?

How will this project involve the Rotary Club of Davis and what type of sponsor recognition will be included?
